## ➤ Quarantine System for Entry-Filling In the Form

入境檢疫系統  
Quarantine System for Entry

臺灣政府規定  
入境旅客需居家檢疫

All inbound travelers are required to undergo home quarantine according to the laws and regulations in Taiwan.

1. 所有入境旅客，若同住者有老年人(≥65歲)、幼童(≤6歲)、慢性病患者(如心血管疾病、糖尿病或肺部疾病等)，或個人無單獨房間(含衛浴)者，應至防疫旅館完成居家檢疫。
2. 自臺灣本島入境者，居家檢疫地點不得為離島。

All inbound travelers are required to stay at a quarantine hotel to undergo home quarantine if you don't have a separate room (including a separate bathroom) or if you live with elderly people 65 years old or older, children 6 years old or under, or persons with chronic diseases (such as cardiovascular disease, diabetes or lung disease, etc).

## 5.Five (5)-Day of Self-Health Management Notice

- After you move out of the quarantine hotel, you cannot enter in the NFU campus for 5-day of Self Health Management. If you want to go out, DO NOT FORGET:

**Wear a mask,**

**Check your temperature,**

**Keep social distancing(1.5meter indoors and 1meter outdoors),**

**Wash your hands with soap and water.**

- Please do **NOT** enter any campus of National Formosa University. If you live in the dormitory campus, please stay around the dormitory campus.
- Please keep your hands clean. You should wash your hands with soap or alcohol based hand sanitizers frequently. In addition, please refrain from touching your eyes, nose and mouth with your hands. If your hands touch any secretions from your respiratory tract, please wash your hands with soap and water thoroughly.
- During the 5-day self-health management, please record your temperature, health status, and daily activities twice a day (morning and evening) correctly.
- During the period, even you have no symptoms, please still avoid going to public places. When you go outside, please ensure that you wear a medical mask all the time as required.

## Overseas Students Entry Taiwan Regulation due to COVID-19

- If you have fever ( $\geq 38^{\circ}\text{C}$ ) or any respiratory symptoms, please put on a medical mask and immediately consult our OIA staff for help to go to a hospital. Please **DO NOT** take public transportation or a taxi to the hospital by yourself.
- Please voluntarily inform your physician of your contact history, travel history, residence history, occupational exposure, and whether anyone else has similar symptoms.
- During illness, please rest at home, wear a medical mask and avoid going outside. If your mask is contaminated by secretions of nose or mouth, please throw it into the trashcan immediately.
- During illness, please wear a medical mask and keep at least 1 meter away from others while talking to them.
- After you seek medical care, are tested for COVID-19 in the hospital, and return home, please stay at home and do not go outside before you receive your test results. You are still required to conduct self-health management for 14 days even if you test results come back negative.
- If your symptoms become worse, please make sure to wear a medical mask and contact local health authority or call the toll-free hotline 1922 to obtain instructions on seeking medical attention. Please do not use public transportation to go to the hospital.

## Overseas Students Entry Taiwan Regulation due to COVID-19

- Those who flout the self-health management regulations will violate Article 48 or 58 of the Communicable Disease Control Act, and be fined ranging from NT\$10,000 to NT\$300,000 in accordance with Article 67 or 69 of the Communicable Disease Control Act.

### 6. Enjoy Life with "Epidemic New Life Movement"

- During pandemic prevention, please avoid crowded places and maintain social distancing with others about **1.5meter indoors** and **1meter outdoors**.

# STOP

## Throwing Your Used Masks on the Ground
